Dear Friends of Berlin Little League,

The New Year is approaching and we are beginning our plans for the upcoming season of little league baseball & softball. Our dedicated board of volunteers is already busy laying the foundation for another successful season for the youth of Berlin. Last year, BLL had 3 District Champions advance to the state level tournaments, of which 2 teams were crowned MD State Champions. Our 11/12 baseball team played in Bristol, CT advancing to the Regional finals, where they fell to the New York team. Our Junior League softball team played at regionals in Orange, CT where they faced teams from the entire East region. This was the first Berlin softball team to reach the Regional level. It was exciting to watch both teams compete on the ESPN family of networks!

Berlin Little League has been a chartered program of Little League International and a staple of this community since 1963. Berlin Little League has hundreds of kids that go through its program annually ... and we are growing each year! This past year, we had over 475 boys and girls ages 4-16 play baseball & softball in our program and we look forward to reaching more kids in our community this season. The league has had great success for many years due to the generous financial support of our local community.

We also participate in and host district tournaments that will allow your advertising dollars to reach many people. Being a Berlin Little League Sponsor is a great way to display your leadership position within the local community while gaining advertising exposure. Donations and sponsorships provide the needed funds to help subsidize registration costs, purchase needed equipment, maintain our fields, and offset other operating expenses.

We sincerely hope that you will 'step up to the plate' by joining the BLL Team and contributing to youth activities within our community for the 2019 season. We are offering multiple sponsorship levels for this upcoming season (please see attached Sponsorship Form) that allow you the chance to choose the level of support that you are most comfortable with. Of course, you will receive an email acknowledging your commitment to the youth of Berlin. Berlin Little League is recognized as a 501(c)3 charitable organization and your donation is tax deductible to the fullest extent permitted by U.S. tax laws and regulations.

We thank you for your support of our league. Please call us if you have any questions or need further information.

Sincerely,

Nornie

With each package you choose, you will receive two signs to hang. Games are played six days a week on six fields, providing your business with instant name recognition. In addition to the billboard, your company will also be recognized on our website.

Berlin Little League Baseball thanks you for your support by advertising with us – Your billboard advertisement guidelines are as follows:

1. If this is your first year sponsoring BLL, please email your logo to berlinmdlittleleague@gmail.com. In the subject line, please type "billboard sponsor info". We will then forward these to D3 Corp to produce your sign. We recommend your logo, phone number and website address only, as too much information will clutter your sign. Please email logo in a high resolution .jpg format.
2. Proofs will be e-mailed to you by D3Corp (our printer) prior to production for final approval. Berlin LL/ D3Corp will not print until your proof is approved.
